

# Charging

## About Charging

This area describes how you can create a charging plan, with permissions and limits for incoming and outgoing calls. You will also learn how to customize fees, charging intervals, exceptions.

### Get Help

If you still have trouble in creating charging plans or customizing charging, do not hesitate to ask for advice and follow VoipNow administrators in the [GetSatisfaction community](#).

If you need more help, our expert engineers are waiting for you in the [4PSA Support Zone](#).
